

Feed4Food pioneers sustainable, inclusive urban food environments in four European cities (Greece, Cyprus, Poland, and Romania) through Urban Agriculture Living Labs. Our mission is to empower vulnerable communities by promoting low-impact, regenerative practices and providing healthy, sustainable food to all, with a focus on low-income consumers.

Our Partners

FEED4FOOD project, Grant Agreement n° 101069506, has been funded by: National Centre For Research and Development (Poland), Research and Innovation Foundation (Cyprus), Dutch Research Council (Netherlands) General Secretariat for Research and Innovation (Greece), UE Fiscdi (Romania) under the Driving Urban Transitions Partnership, which has been co-funded by the European Union.
